Dear Tom:

I just received word from Atlantic City that we cannot have the Ball Park for May 29th. The lights will be up, but the City has granted that date to the Johnson All Stars for the opening date of the night baseball. The man in Atlantic is trying to get the Johnson All Stars to play us, but I do not know what the final outcome will be. We will be able to go in there later I know. How would Friday, June 6th be if I can get the Park for that night? If not, look on your schedule and see what night you would want to go to Atlantic City with me.

I am writing Semler today about the May 30th date, I wrote Pompey yesterday.

Very truly yours,
